

Greeting & Namaste, Welcome to AvantGarde Boarding School

Principle message - I extend a warm welcome to our parents, students and our inspirational people. I am very proud to be the Principal of this wonderful school. It is a privilege for me to work with our students, our staff and our families to make our school the very best.

We aim to create a safe, nurturing yet challenging environment that is built on positive relationships; developing the whole student – emotionally, socially and academically.

We provide an appealing and stimulating curriculum that is flexible and tailored to the needs of each and every student as we strive for high educational outcomes. Our passionate teachers ensure our students grow in confidence and capabilities and develop the skills for the rapidly changing 21st century living. Engaging learning programs that cater for individual differences and learning styles are devised and delivered by our skilled, talented and dedicated teachers. We use innovative techniques, rich resources, proven instructional strategies and engaging programs to promote student learning. We develop in each of our students a curious, enquiring and discriminating mind, a desire for knowledge and a set of skills; linguistic, mathematical, scientific, artistic, physical, emotional and social.

We want each of our students to leave school with the values of respect, cooperation, persistence and striving for excellence underpinning all that they do. Our students develop responsibility for their own behaviour and the choices they make, and also a communal responsibility to assist their peers to do the same. Our students become strong in self-esteem and personal expectation and develop a healthy and respectful tolerance for others.

“ We have promises to keep and miles to go before we sleep. ”

We always celebrate the achievements of our students each and every day in many different ways; sometimes a friendly smile, a 'high-five', or a simple phrase means so much to our students to encourage their fantastic behavior and balanced choices. In addition, we have our Student of the Week awards for outstanding behavior, and our AvantGarde of the Month awards which are presented to those students who demonstrate the values to a very high standard.

We feel it is vital to prepare our students to be successful learners and future citizens by embedding our four values in the way we live at school. We aim to supporting our students to be the best they can be and to 'shine like AvantGardes!
